

CHÂTEAU SWAN

Amour de Swan rouge 2022

Château Swan, located in Cadillac on the slopes of Bordeaux, is a quality wine estate dating back to the 19th century. It stands out for its traditional know-how combined with modern winemaking and ageing techniques. Sustainable viticulture and respect for the environment are at the heart of the estate's concerns. The wines produced by Château Swan are recognized by many specialists.

Designation : AOP Bordeaux

Blending : Merlot

Soil: Ideally oriented southwest-facing slopes with gentle inclines. Subsoil composed of clay and gravel, providing excellent drainage and mineral balance.

Alcohol content: 13,5 % vol.

Average vineyard age: 15-20 years

Viticultural practices: Sustainable viticulture, certified HVE (High Environmental Value), focusing on biodiversity, soil health, and reduced chemical inputs.

Harvesting: Selective hand harvesting with cluster and berry sorting to ensure optimal fruit quality.

Vinification process: Temperature-controlled fermentation in stainless steel vats to preserve varietal aromas and manage extraction.

Ageing: Aged for 18 months, allowing for optimal integration of tannins and development of complexity.

Tasting notes:

Deep ruby-red robe, intense and brilliant. The nose reveals an expressive bouquet of ripe red fruits—blackberry, blackcurrant, and blueberry—layered over toasted, roasted notes.

On the palate, the wine is full-bodied and generous, with a harmonious blend of red fruit flavors and subtle undertones of coffee and tobacco.

An elegant, well-balanced wine with silky tannins that contribute depth, structure, and finesse.

A wine suitable for ageing, but already accessible in its youth, showcasing freshness and aromatic complexity.

Food pairing recommendations:

Pairs beautifully with red meats, rich sauces, and aged cheeses.

Serving Suggestion: Open 30 minutes prior to tasting to allow the bouquet to fully express itself.
